### Lusitano Horse Riding

Man's companion since the beginning of times, the horse has been an essential element in the history of our development. The Lusitano horse played an essential part in conquests and war throughout centuries with its **generosity, versatility, submission and noble attributes.**

The Lusitano horse is a **Portuguese breed**, and it is considered the **oldest saddle horse in the world.**

Come and experience the joy of riding a Lusitano horse and get to know our beautiful, scenic countryside on the back of what is one of the oldest baroque breeds in the world, the Lusitano!

This experience can be enjoyed all year round in the Algarve, Alentejo, Ribatejo, Lisbon and Oporto regions.
